step by step skincare routine

1

Hydra Advanced Facial Cleanser (day & night)

Wet your face and apply a small amount of cleanser to your face and neck. Gently massage into your pores with small circular motions. Rinse off the product with lukewarm water and pat dry with a clean towel.

Basahkan muka dan sapukan sedikit pembersih ke muka dan leher anda. Urut perlahan-lahan ke dalam liang pori dengan gerakan membulat kecil. Bilas dengan air suam dan lap dengan tuala bersih.

2

Ultra Intense Face Serum (day & night)

Dispense 1 to 2 pumps of serum onto your fingertips after cleansing. Massage the serum over your face and neck using circular motions until it is fully absorbed into your skin.

Picit 1 hingga 2 titis serum ke jari anda selepas membersihkan muka. Urut serum ke seluruh muka dan leher menggunakan gerakan membulat sehingga diserap sepenuhnya ke dalam kulit anda.

3

Hydra Essential Moisturiser (day & night)

Use the moisturiser twice a day, in the morning and at night, after applying serum. Apply an even layer on your face and gently rub until fully absorbed.

Gunakan pelembap dua kali sehari, pada waktu pagi dan malam, selepas menggunakan serum. Sapu rata pada muka anda dan gosok perlahan-lahan sehingga diserap sepenuhnya.

4

Ultra Nourishing Face Oil (day / night)

Apply a few drops of oil into your palms and pat it into your skin. Smoothly apply the oil onto your face and neck.

(For dry skin, you can apply face oil during the day before sunscreen. If you have oily skin, apply it only at night as the final step in your routine.)

Sapukan beberapa titis minyak ke tapak tangan dan tepapkan ke kulit. Ratakan minyak dengan lembut ke muka dan leher.

(Bagi kulit kering, anda boleh menggunakan minyak muka pada siang hari sebelum memakai pelindung matahari. Jika kulit berminyak, gunakan pada waktu malam sahaja sebagai langkah terakhir di dalam rutin penjagaan kulit anda).
